CENTRAL BOARD OF SECONDARY EDUCATION

(An Autonomous Organisation under the Ministry of Education, Govt. of India)

CBSE/COORD/DIABETIC-T1/2/2024/

Dated: 04.02.2024

CIRCULAR

Sub: Facilities extended to the candidates suffering from Type-1 Diabetes in Board Examination-reg

This is in continuation to circular no. CBSE/Coord/ASC/112567/2046 dated 21.02.2017 on the above cited issue. CBSE being the pace pace-setting National Board has considered the problems faced by the students suffering from diabetes Type-1 and appearing in the Board Examinations. Accordingly, several facilities were extended to the students to overcome the medical issues in the examination.

Since the earlier order of the CBSE on this issue, new advancement have taken place in medical science and better treatments are now available for the patients.

CBSE has reviewed the facilities extended to these students with the help of experts and decided that the following facilities will be made available in the Board's Examination for class X and XII to the students suffering from Type-1 Diabetes.

Now, the students will be allowed to carry following items in the examination room/hall in transparent pouch/box:-

1. Sugar tablets/Chocolate/Candy
2. Fruits like Banana/Apple/Orange
3. Snack items like Sandwich and any high protein diet
4. Medicines require as per Doctor's prescription
5. Water bottle (500 ml.)
6. Glucometer and glucose testing strips
7. Continuous Glucose Monitoring (CGM) machine, Flash Glucose Monitoring (FGM) machine and / or insulin pumps

The following Standard Operating Procedures will be followed by the students for availing of these facilities:

- (i) The students will provide the information that they are suffering from Type-1 Diabetes during registration/submission of LOC.
- (ii) The following documents are required to be uploaded on the portal for availing the facilities in the board examinations:
 - a) Recommendations of the Medical Specialist for CGM/FGM/Insulin pump during the examinations.
 - b) Parent's undertaking that CGM/FGM/insulin pump is provided to the students and no way it is a communication device which may hamper the safety of the examinations.
- (iii) To avail of these facilities, the school/student/parent needs to apply as per the schedule issued by the CBSE. No request once the schedule is over will be entertained.

- (iv) School/student/parent will approach the examination centre at least a day before the start of the examination and intimate the Centre Superintendent about the items to be carried by the students.
- (v) On the day of the examination also, the student will reach the school atleast 45 minutes before the start of the examinations i.e. latest by 9:45 A.M.
- (vi) All the applications/requests will be routed through the school with the prescribed documents. No direct request from the student to CBSE will be entertained.
- (vii) Except for equipment(s) attached to the body, the rest of the items will be kept with the Assistant Superintendent (Invigilator) in a transparent box/ pouch and could be taken by the students once they need it.

Schools shall follow the above instructions strictly.

For Board examinations 2024 only, applications may be submitted to respective Regional Office, CBSE with all supportive documents for availing permitted facilities.

The earlier circular no. CBSE/Coord/ASC/112567/2046 dated 21.02.2017 stands superceded.
